Are you ready for a good treat  
Now there's so much entertainment  
Are you yeah... in to me

Chorus:

So don't be messin' around, don't be messin' around  
Don't be messin' around hey hey hey  
Don't be messin' around, don't be messin' around  
Don't be messin' around hey

If I started now in the deep  
Thinking said this feeling is your life  
I'll be so proud if you let the only one  
That we love before a little while

Don't be messin' around hey hey hey  
So don't be messin' around, don't be messin' around  
Don't be messin' around hey  
Oho yeah yeah,  
Oho yeah, oho yeah, oho yeah

Now just started think of pumpin  
To the beat I said let's movin' up late  
She said to keep your mind

No no mess around with me I...
