She said
"Take a step back but please keep me in frame."
So I spent the next five years
Standing in your way.

I walked in with you alone
I'm walking out with you alone.
[x2]

And I know just how you'd get
Back at me
If I said that these songs
Were about you.
You'd cry and say:
"I never meant to make you feel this way"
You'd cry and say:
"Well it's been done, and it's too late"

Take a step back, but please keep me in frame
(Keep me in frame, keep me in frame)
And I spent the next five years standing in your way.

I walked in with you alone
I'm walking out with you alone.
[x2]
And it's too late.

And all that I have left
To give you now
Is a poor gift and that's myself.

She said
"Take a step back,
But please keep me in frame"
(Keep me in frame, keep me in frame)
And I spent so many years
Just standing in your way

You walk in with me alone
And you walk out with me alone.
[x2]

If I told you this song was about you.
(You'd cry and say, cry and say)
"I never meant to make you feel this way."

If I told you that this song was about you.
(You'd cry and say, cry and say)
"Well it's been done and it's too late."
