Save me

If I start to slide
Believe me
When I say goodnight
Don't wake me tomorrow
Don't come wake me come tomorrow

Sway me
To that simple life
Don't tempt me
With those sleepless nights
Don't wake me tomorrow

Don't come wake me come tomorrow

From these bright lights and dark shadows

From these bright lights and dark shadows

Can you mask the pain
If you don't believe in it
Set the stage
When you know who you side with
Nobody likes a liar
No nobody likes a liar

"Save me

When I start to slide"
Believe me
When I say goodbye
Don't wake me tomorrow
Don't come wake me come tomorrow

Let me
Find a peace of mind
That let's me leave the past behind
Don't wake me tomorrow

Don't come wake me come tomorrow

From these bright lights and dark shadows

From these bright lights and dark shadows

Can you mask the pain
If you don't believe in it
Set the stage
When you know who you side with
Nobody likes a liar
No nobody likes a liar

Can you mask the pain
If you don't believe in it
Set the stage
When you know who you side with
Nobody likes a liar
No nobody likes a liar

Stay with me, stay with me, stay
I should have let you win
Stay with me, stay with me, stay
I'll never lose you again

Stay with me, stay with me, stay
I should have let you in
Stay with me, stay with me, stay
I'll never lose you again

Stay with me, stay with me, stay
I should have let you win
Stay with me stay with me, stay
I'll never lose you again

Can you mask the pain
If you don't believe in it
Set the stage
But you know who you side with
Nobody likes a liar
No nobody likes a liar

Can you mask the pain
If you don't believe in it
Set the stage
When I know who you side with
Nobody likes a liar

No nobody likes a liar
Stay with me, stay with me, stay.
