She said\*  
"Take a step back but please keep me in frame."  
So I spent the next five years  
Standing in your way  
I walked in with you alone  
I'm walking out with you alone.

And I know just how you'd get  
Back at me  
If I said that these songs  
Were about you.  
You'd cry and say:  
"I never meant to make you feel this way"  
You'd cry and say:  
"Well it's been done, and it's too late"

Step back, but please keep me in frame  
(Keep me in frame, keep me in frame)  
And I spent the next five years standing in your way.

I walked in with you alone  
I'm walking out with you alone.  
And it's too late.

And all that I have left  
To give you now  
To is a poor gift and that's myself.

She said  
"Take a step back,  
But please keep me in frame"  
(Keep me in frame, keep me in frame)  
And I spent so many years  
Just standing in your way

You walk in with me alone  
And you walk out with me alone.

If I told you this song was about you.  
(You'd cry and say, cry and say)  
"I never meant to make you feel this way."

If I told you that this song was about you.  
(You'd cry and say, cry and say)  
It's been done and it's too late
