"of one to false, how true are sea cre"

Visit "[of one to false, how true are sea cre](#)" on MotoLyrics.com

Looking back seeing the prices that you have paid to
get away
But I'm tearing down these walls with ever chance I get
Now hear me scream
But I'm fearing that these days will never change
(days will never change)

Don't think that you can stop me
I just wanna live out my life
You walk all over me
We're making progress tonight, this could be over
If you would set me free

The summer's leaving again but I found hope in
something else,
But what about time,
Would it hurt to understand?

Don't think that you can stop me
I just wanna live out my life
You walk all over me
We're making progress tonight, this could be over
If you would set me free

When I sing this song, you will sing it back.
I said, ?I won't give up?.
When I sing this song, you will sing it back.
I said, ?I won't give up?.
I won't give up.
Dreams will never die

Slower days go by
This dream won't die

But I'm tearing down these walls,
Now hear me scream (I won't give up)
But I'm fearing that these days will never change
I won't give up!

Don't think that you can stop me,
I just wanna live out my life

You walk all over me.
We're making progress tonight, this could be over.
If you would set me free
If you would set me free
Dreams will never die
