Looking back,
Seeing the prices that
You have paid to get away.
But I'm tearing down these walls
With every chance I get,
Now here me scream.
But I'm fearing that these days
Will never change.
Don't think that you can stop me,
I just wanna live out my life,
We're making progress tonight,
This could be over,
The summer's leaving again
But I found hope
In something else,
But what about time,
Would it hurt to understand?
Don't think that you can stop me,
I just wanna live out my life,
We're making progress tonight,
This could be over,
When I sing this song,
You will sing it back,
I said, "I won't give up".
Dreams will never die.
Slower days go by.
This dream won't die.
But I'm tearing down these walls,
Now here me scream.
But I'm fearing that these days
Will never change.
Don't think that you can stop me,
I just wanna live out my life,
We're making progress tonight,
This could be over,
Dreams will never die.
