Rewind this life
To counter your intention
False hope, so bright
With you in my reflection
This reminds me of the time
When you let go and I fell

What did I do
What did I say to you
What did I say
Why should I take the blame
Tell me if I fall
Will you be waiting patiently
Pick me up, or kick me when I'm down.
Tell me if I follow you.
Honestly, have you such a heart to heart around?

Now you've turned your back on me
As I'm lying face down in my disbelief
So motivated and confused.
I'll wait for you.
I'm asking..
