Oh, baby, baby, baby, baby baby.
Baby, baby baby, b-b-b-b-b-b baby baby, baby.
Baby baby baby
Come back, baby, I wanna play house with you.

Well, you may go to college,
You may go to school.
You may owe a pink cadillac,
But don't you be nobody's fool.

Now baby, come back, baby gone.
Come back, baby gone.
Come back, baby, I wanna play house with you.

Well listen and I'll tell you baby
What I'm talking about.
Come on back to me, little girl,
So we can play some house.

Come back, baby gone.
Come back, baby gone.
Come back, baby, I wanna play house with you.
We're playing you

Oh yeah
Woo!
All right
Ah yeah!

Now this is one thing, baby
I want you to know.
Come on back and let's play a little house,
And we can act like we did before.

Now, baby, come back, baby gone.
Come back, baby gone.
Come back, baby, I wanna play house with you, ah

Ah yeah, let's get hot here! [crowd fanfares]

Now listen to me, baby

Try to understand.
I'd rather see you dead, little girl,
Than to be with another man.

Come back, baby gone.
Come back, baby gone.
Come back, baby, I wanna play house with you.

Oh, baby baby baby.
Baby baby baby.
Baby baby baby.
Baby baby baby.
Come back, baby, I wanna play house with you, one
more
Come back, baby, I wanna play house with you.

[the crowd fanfares]

Thank you.
