I'm never gonna make you suffer  
If you want my better side  
I'm gonna give you all my sugar  
When it comes to taking the ride

I will never let your words be washed away  
There are oceans to be named by you  
Inside, we lay in the shadows  
Outside, they push the skin parade

All the streets have turned from red to blue  
It's probably gonna stay that way  
Don't let me go and stop you  
If you're looking for a better view

Gonna take a ride  
(Take a ride)  
From here to heaven  
(Let me ride)

Gonna take a ride  
(Take a ride)  
Get on the inside  
(Get on the inside)

Gonna take a ride  
(Take a ride)  
To eleventh heaven  
(Let me ride)

Gonna take a ride  
(Take a ride)  
Get on the inside  
(Get it on the inside)

Get on the inside  
(Get on the inside)  
Get on the inside  
(Get on the inside)

Get on the inside  
(Get on the inside)

(Get on the inside)

Are we gonna kill the things that mean the most  
As a junkie is a jailer too  
We're gonna recognize the faces  
If we're searching for the life we blew

All the streets have turned from red to blue  
It's probably gonna stay that way  
Don't let me go and stop you  
If you're looking for a better view

Gonna take a ride  
(Take a ride)  
From here to heaven  
(Let me ride)

Gonna take a ride  
(Take a ride)  
Get on the inside  
(Get on the inside)

Gonna take a ride  
(Take a ride)  
From here to heaven  
(Let me ride)

Gonna take a ride  
(Take a ride)  
Get on the inside  
(Get it on the inside)

All you people, talking so lonely  
Making plans that your daddy wanted  
Setting it up for the biggest falling  
How you gonna learn, learn to fake it?

Having trouble with the dirty make-up  
Never gonna learn what you're running from  
Acting like the world just owes you  
Looking for love in all the wrong places

Gonna take a ride  
(Get on the inside, get on the inside)  
(Get on the inside, get it on the inside)

Gonna take a ride from here to heaven  
(Get on the inside)  
Gonna take a ride, get on the inside  
(Get it on the inside)

Gonna take a ride, get on the inside  
(Get on the inside)  
Gonna take a ride, get on the inside  
(Get it on the inside)

Gonna take a ride  
(Sweating it on the sweet tiny spot)  
Get on the inside  
(Let me ride)

Gonna take a ride  
(Sweating it on the sweet tiny spot)  
Get on the inside  
(Let me ride)

Get on the inside  
(Sweating it on the sweet tiny spot)  
Get on the inside  
(Let me ride)

Get on the inside  
(Sweating it on the sweet tiny spot)  
Get on the inside  
(Let me ride)

Oh yeah  
(Sweating it on the sweet tiny spot)  
Oh, oh  
(Let me ride)

Oh, oh  
(Sweating it on the sweet tiny spot)  
Oh yeah, oh, oh, oh, oh, oh, oh, oh, oh, oh, oh  
(Let me ride)

Sweating it on the sweet tiny spot  
Let me ride  
Sweating it on the sweet tiny spot  
Get it on the inside

Sweating it on the sweet tiny spot  
Let me ride  
Sweating it on the sweet tiny spot  
Get it on the inside

[Incomprehensible]
