It's so strange  
How my life's changed  
I know nothing  
About the people that I touched

Heard a story  
It sounded easy  
If you don't care  
Then you're lying through your teeth

I was shook up  
Intoxicated  
Drank the juices  
Of the possibilities

I'm so alive

If you told me  
Nothing's perfect  
Hearts are broken  
Nothing's free

I could show you  
Why it's worth it  
That's the way that it's meant to be

It's too strange  
How your life's changed  
You know nothing  
About the people that you've touched

Someone told me  
Life is easy  
Hearts were bleeding and breaking  
They were lying through their teeth

If you told me  
Nothing's perfect  
Hearts are broken  
Nothing's free

I will show you

Why it's worth it  
And that's the way that it's meant to be

If you told me  
Nothing's perfect  
Hearts are broken  
Nothing's free

I could show you  
Why it's worth it  
That's the way that it's meant to be

Heard a story  
It sounded easy  
Got a new skin and  
I'm lying through my teeth  
I was shook up  
Intoxicated  
I drank the juices of the possibilities

Of the possibilities
