Glad to make me happy
With your friends down the low
Think they got the picture
But they don't really know, oh, oh
I'm reading all about sin
There's a chapter I'm in
Do I have to wait, oh, do I have to wait

I'm standing on the rooftop
Waiting for the lightning
Do you have that now?
I'm standing on the rooftop
Waiting for the lightning
Gonna bring me down

Glad to make me happy
With your friends up the block
Think they got the picture
But they don't really know, oh oh
I'm reading all about sin
There's the porch light on me
(Oh oh oh oh) Do I have to wait?
(Oh, do I have to wait) Oh, do I have to wait?

I'm standing on the rooftop
Waiting for the lightning
Gonna bring right in
I'm standing on the rooftop
I'm waiting for the lightning
Don't you want the thing? Ah ah

I need the words to begin
(I need the words to begin)
I need the cease to be part of the mess I'm in
I need the words to begin
(I need the words to begin)
I need the stars to be part of the mess I'm in

I'm reading all about sin
There's a chapter I'm in
(Oh oh oh oh) Do I have to wait?

(Oh, do I have to wait) Oh, do I have to wait?

I'm standing on the rooftop
Waiting for the lightning
Do you have that now?
I'm standing on the rooftop
Waiting for the lightning
(Oh, do I have to wait?)
I'm standing on the rooftop
Waiting for the lightning
Do you have that now?
I'm standing on the rooftop
Waiting for the lightning
Gonna bring me down
(I'm standing on the rooftop) oh oh
Waiting for the lightning
Oh waiting for the lightning
(I'm standing on the rooftop)
I'm standing on the rooftop
Waiting for the lightning
