

Trapeze "Loser"

Visit "[Loser](#)" on MotoLyrics.com

Losin' my direction
Runnin' out of time
Walkin' round in circles
Going out of my mind
I'm down for the third time
I'm blind to see
Everything is changin'
Everything but me
I'm a loser (4X)

Loser (4X)

Seems the more I want to
No matter how I try
Always destinations
Seem to pass me by
Takin' all I offer
All I have to give
Leavin' me alone now
Still my life to live
I'm a loser (4X)

Loser (4X)

Don't you know
Don't you know
I'm a loser
I'm a loser
