"Makes You Wanna Cry"

No sun risin'
No wind of day
Don't wait for tomorrow
Just live for today
All new life's beginnings
Never agin' with time
All new virgin sources
Caught me all life and mind

Life's so full of beauty
Wings dance in the sky
Like purple illusions
And dreams passing by
Still all virgin children
That God's gift prepared
No visions, illusions
Or happiness yearned

With love all around now
Not sun in the sky
The wishes, the trees
Silver birds lullaby
Makes ya' wanna' cry
Makes ya' wanna' cry

All seasons eternal
No time factors spoil
Gone, all tribulations
Long banished with trials
Love seems in flower
A blossom within
To love one another
Was never a sin

With love all around now
Not sun in the sky
The wishes, the trees
Silver birds lullaby
Makes ya' wanna' cry
Makes ya' wanna' cry
Makes ya' wanna' cry
