Get off to the rhythm
Start by clappin' your hands
You don't need the words now
It's kids that'll understand
Get your body movin'
Keep time with the beat
Somewhere in the middle
We're all gonna' meet
You are the music
We are the band
'Cause we're gonna' make it
With both feet and hand
'Cause you are the music
We are the band
Together we'll make it
Across this land

Makes you feel better
Look around and stamp your feet
Take the hands of your sisters
And my brothers that you meet
We're all goin' together
Hope you're feelin' fine
They can't take the music
It's yours and mine
'Cause you are the music
We are the band
We're gonna' make it
With both feet and hand
'Cause you are the music
We're just the band
Together we'll make it

'Cause you are the music
We're just the band
Together we'll make it
Across this land

Get off to the rhythm
Start by clappin' your hands
You don't need the words now
It's kids that'll understand

Get your body movin'
Keep time with the beat
Somewhere in the middle
We're all gonna' meet
'Cause you are the music
We are the band
We're gonna' make it
Both feet and hand
'Cause you are the music
We're just the band
Together we'll make it
Across this land
