"Draw The Line"

Don't lean on me
Got to do my own thing
I've seen
Too many problems in this world
To be held back
No sympathy

I've been there before
And I'll be there again
My friend
I was at the end of my rope
Searching, never finding a sign of hope

Where do you draw the line?
Looking back is just a waste of time
But if you want to walk by my side
I don't need you to suck me dry

Don't lean on me
Got to do my own thing
I've seen
Too many problems in this world
To be held back
No sympathy

In this world trials are absolute -
My life is living proof
What should you do?
Should your world crumble down you?

You've got to draw the line
Looking back is just a waste of time
But if you want to walk by my side
I don't need you to suck me dry

There's a man in need,
But I can't intervene
If I do, his misfortunes could fall on me

Don't fall on me

Where do you draw the line?
Looking back is just a waste of time
But if you want to walk by my side
Walk by my side

Don't lean on me
Got to do my own thing
I've seen
Too many problems in this world
To be held back
No sympathy
For me
