

Trapped Under Ice "Eye Hand"

Visit "[Eye Hand](#)" on MotoLyrics.com

The body is real although it never dies
I see the light in the dark through 7 eyes
I see the pain unfurl
Put my ear to the ground, I hear the secrets of the
world
When your soul gets tired, put your body to sleep
REST IN PEACE
Biting the hand that feeds
All powerful being brings life to it's knees
Praise be to the maker of light
Pain forever until you take my life

I and I and only I know
The hollow insides of the world below

And I'm fading so
Wrap your arms around my soul
I am fading fast
Reaper won't rest until he takes me back to death
If you let the demons be, they will get you
God bless, peace be with you
