Still cold
Realist of the real
Understand how I feel
Untruest of the untrue
Live their lives just like you do

All by myself
All out of hope
So alone and lonely
Die cold and all alone

Sucked dry
I'm all out of love
Nothing left to give
Live or die
I've got no choice but to live

All by myself
All out of hope
So alone and lonely
Die cold and all alone

All by myself
I found my home
So alone and lonely
Die cold and all alone

Life's a bitch
Or so it seems
I won't live on my knees
I will die on my feet
And you better believe
I will die cold and all alone, bitch!

So you want to know why I'm so real,
You want to know how it feels?
I can't begin to tell you why
I'm still cold
Life's a bitch or so I'm told
As reality unfolds
