Circling, you're circling, you're circlin you're head,  
comtemplating everything you ever said, now I see the  
truth I got a doubt,  
a different motive in your eyes and now I'm out, see  
you later  
I see your fantasy, you wanna make it a reality paved in  
gold,  
see inside, inside of our heads yea, well now that's  
over,  
I see your motives inside, decisions to hide

(Chorus)

AWWWWWWWWWWWWW!!!!!!!!!!!!

Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong, headstrong, we're  
headstrong  
Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong, and this is not where you  
belong

I can't give everything away  
I won't give everything away

Conclusions manifest,  
your first impression's got to be your very best  
I see you're full of shit and that's alright,  
that's how you play I guess you get through every  
night,  
well now that's over,  
I see your fantasy, you wanna make it a reality paved in  
gold,  
see inside, inside of our heads yea, well now that's  
over,  
I see your motives inside, decisions to hide

(Chorus)

AWWWWWWWWWWWWWWW!!!!!!!!!!!!

Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong,  
headstrong, we're headstrong  
Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong,  
and this is not where you belong, (where you belong)

I can't give everything away,  
I won't give everything away,

I know,  
I know all about,  
I know,  
I know all about,  
I know all about your motives inside,  
and your decision to hide

(Chorus)

AWWWWWWWWWWWWW!!!!!!!!!!!!

Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong, headstrong, we're  
headstrong  
Back off I'll take you on  
headstrong to take on anyone  
I know that you are wrong and this is not where you  
belong, where you belong,  
(this is not where you belong)

I can't give everything away, (this is not where you  
belong)  
I won't give everything away, (this is not where you  
belong)  
This is not where you belong
