You have a chance to really shine now  
Well patience never was one of your true virtues  
Stop trying to control everything  
and fuck what they say  
what do you have to prove?

So why am I waiting  
this time that I'm wasting  
if that's what you mean (x2)

How will this be when all is said and done  
will I know where I'm from, remember me  
Where will I be, I guess I'm on the run  
and time is catching up behind me

I'm scared to be the only one who sees  
The hourglass run dry 'cause too much time went by  
Why do I try to prove that I will be ready for everything  
thrown at me

So why am I waiting  
this time that I'm wasting  
if that's what you mean (x2)

How will this be when all is said and done  
will I know where I'm from, remember me  
Where will I be, I guess I'm on the run  
and time is catching up behind me (x2)

These thoughts trickle down  
imaginary lines cut through the ground (x2)

So why am I waiting  
this time that I'm wasting  
if that's what you mean (x2)

How will this be when all is said and done  
will I know where I'm from, remember me  
Where will I be, I guess I'm on the run  
and time is catching up behind me (x2)
