I analyze everything  
I know what you mean  
I answer by questioning  
All that I need

And I want to, to surrender  
I want you to see all the sides  
All the faces inside of me

I see, I'm not perfect  
But that's all I see  
Lost in a portrait  
In a picture of me

This can't be everything I see  
That my canvas is incomplete  
Your color's everything to me  
And my canvas will set me free

My outline is solid  
And made up of crime  
And the things that you say  
Just burn in my eyes

I want to, to surrender  
I want you to find some comfort  
In the spaces between the lines

I see I'm not perfect  
But that's all I see  
Lost in a portrait  
In a picture of me

This can't be everything I see  
That my canvas is incomplete  
Your color's everything to me  
And my canvas will set me free

This can't be everything I see  
My canvas is incomplete  
Your color's everything to me

This can't be everything I see  
That my canvas is incomplete  
Your color's everything to me  
And my canvas will set me free

This can't be everything I see  
That my canvas is incomplete  
Your color's everything to me  
You're everything to me
