Uh uh, nuh uh
Nuh uh, nuh uh

I don't know anything at all and I'm somebody else
It could take years to find you, it could take years to
find myself
And I don't need to hear your answer, I just need you to
see
That I think it's time to break down these walls that we
throw up

Am I still breathing, have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees
that
I can't ask these questions that cannot be answered
today

Nuh uh, nuh uh
Nuh uh, nuh uh
Nuh uh, nuh uh

And even if everything goes wrong and we start to fall
apart
I will understand where you are, and I will understand
this by myself
And I don't need to hear your answer I just need you to
feel
Like there are no boundaries at all

Am I still breathing? Have I lost that feeling?
Am I made of glass? 'Cause you see right through me
I don't know who I am and you're the only one who sees
that
I can't ask these questions that cannot be answered
today

And I am mine today
Whoa oh oh today
And I don't matter today

And how far have we come? Too far to throw away the

past
Would you be there waiting for me?
I have to ask what we are, if I ask today it just won't last
So I'll be here waiting for you

Will we ever feel this good again?
Will we ever feel this real again? Again
Will you ever be mine again?
Will we ever feel this real again?

Not today, today
And I am mine today
Whoa oh oh, today
I don't matter today
