I found a line and then it grew
I found myself still thinking of you
I felt so empty and now I'm fine
But still it's burning, when will you be mine?

[Chorus:]

Too much of the same stories in our lives
I think it's time for change, don't you?
Too much of the same stories in our lives
(I think it's time for us to walk away from here)

Stories in our lives, we keep them all inside [x2]

Look at me still in your mind
Our memories so intertwined
Well you broke through and found your way
And so did I no need to stay
The same old picture, tried and true
Been through there, let's look for something new

Too much of the same stories in our lives
I think it's time for change, don't you?
Too much of the same stories in our lives
(I think it's time for us to walk away from here)

[Chorus]

Do you remember lying on the beach so late at night
Do you remember running through the sprinklers that
night
Do you remember all the songs that I have wrote for
you,
All the songs that I have wrote for you
(For you)

I remember, the way you made me feel when I was with
you
I remember, the smile that always brought me back to
you
That look in your eyes, I never thought that this could
be untrue [x2]

Too much of the same stories in our lives

I think it's time for change, don't you?
Too much of the same stories in our lives
(I think it's time for us to walk away from here)

(Untrue
Do do da da
do do da da
do do da da
do do da da
do yeah yeah yeah)

[Chorus]
