You have a chance to really shine now
Well, patience never was one of your true virtues
And stop trying to control everything
And fuck what they say, what do you have to prove?

So why am I waiting, this time that I'm wasting
If that's what you mean
So why am I waiting, yeah, this time that I'm wasting
If that's what you mean

How will this be when all is said and done
Will I know where I'm from, remember me
Where will I be and I guess I'm on the run
And time is catching up behind me
Behind me, yeah, behind me, yeah, behind me

And I'm scared to be the only one who sees
The hourglass run dry 'cause too much time went by
And why do I try to prove that I will be
Ready for everything thrown at me

So why am I waiting, this time that I'm wasting
If that's what you mean
So why am I waiting, yeah, this time that I'm wasting
If that's what you mean

How will this be when all is said and done
Will I know where I'm from, remember me
Where will I be and I guess I'm on the run
And time is catching up behind me, yeah

How will this be when all is said and done
Will I know where I'm from, remember me, yeah
Where will I be, I guess I'm on the run
And time is catching up behind me

These thoughts trickle down
Imaginary lines cut through the ground
These thoughts trickle down
Imaginary lines cut through the ground

So why am I waiting, this time that I'm wasting

If that's what you mean
So why am I waiting, yeah, this time that I'm wasting
If that's what you mean

How will this be when all is said and done
Will I know where I'm from, remember me
Where will I be and I guess I'm on the run
And time is catching up behind me, yeah

How will this be when all is said and done
Will I know where I'm from, remember me, yeah
Where will I be, I guess I'm on the run
And time is catching up behind me
