

Trauma

"Blade Under Your Throat"

Visit "[Blade Under Your Throat](#)" on MotoLyrics.com

There are demons in my mind
They still whisper to me
"You must do it, You must do it"
"Do it now, You have kill"

Need is very unbreakable
Hand is touching knife

I know that I'm mad
Morally tainted
But nature is unperfect
And I'm her defect

Look at you and feel your fear
I'm possessed, I'm insane
I'm possessed, I'm insane

Lust rising inside
Deep in my mind
Blade under your throat
Seducing me, obsessing me

Look at you and feel your fear
I'm possessed, I'm insane
I'm possessed, I'm insane

Blade! under! your throat!

God is in my cold blade!

His mercy six feet under!
Bloody proof fill on your throat!

[Lead: Mister]

There are demons in my mind
They still whisper to me
"You must do it, You must do it"
"Do it now, You have kill"

Need is very unbreakable
Hand is touching knife

Look at you and feel your fear
I'm possessed, I'm insane
I'm possessed, I'm insane
