"Make Me Blind"

I see your all hypocrisy
I see your misery
Adored, worshiped
The long spectacle
Began two thousand years ago

I don't want to hear a psalms
I don't want your mercy
I don't want to see your "kingdom"
I don't want to hear a psalms
I don't want your mercy
I don't want to see your "kingdom"

Make me blind!
Make me blind!

Soulless god!
Merciless god!
Unperfect god!
I don't want to live
In hell or in heaven
I want to live
Absolute elsewhere
I don't want to see your "kingdom"

[Lead: Mister]

Make me blind!

Make me blind!...

Soulless god!
Merciless god!
Unperfect god!
Like the first and the last
Like alpha and omega
You would like rule
But the earth is mine

Sophistication
The only well known way
Of your actions

I don't jeopardize my fidelity
Only for your heaven
Congential liar
Bound for blindness
The greatest gift
From you

I don't want to hear a psalms
I don't want your mercy
I don't want to see your "kingdom"
I don't want to hear a psalms
I don't want your mercy
I don't want to see your "kingdom"

Make me blind!
Make me blind!
