Take look at your back  
Maybe you see the shadow  
Loosing  
Your mind  
Just before next corner-feel

Feel fucking weakness

Fear in your eyes  
Darkness!  
Darkness in your soul  
Fear!  
This is real world

Hungry wolf in every move  
I spill your blood  
The ignorance of society  
Is my strongest weapon  
Tell me, tell me, tell me when you want to die  
Tell me, tell me when you want to die

Fear in your eyes  
Darkness in your soul  
This is real world

You wish of death  
You pray for death  
The sociopath is my name  
Angry for everything around  
I'll take you to my hell

[Lead: Mister]

You think you're so great  
Look at the mirror  
You're familiar with me  
In every wry face  
I see the smile of hungry demon  
I see the smile of hungry demon

Fear in your eyes  
Darkness in your soul

This is real world
