"The Madness Here"

I live like
The driftice
Forsaken by
Unholy god
Unholy god from pits of heaven

Unholy god...

I'm like a moth
Searching the light
In the darkness
The madness is here

The beast of Armageddon
Riding on the purple horse
The purple horse
The bridge between
Right and left path
Of my guide
The madness is here

The madness is here
The madness, state of my mind

The madness is here...

Steel pillars
Supporting the inner sea
Conventional questions
Simple answers
Annihilation of dogmas
In this madness here

[Lead: Mister]

Animal instincts
And spiritual disorder
Persistence in searching
For the right key
For the right key

The madness is here

The madness, state of my mind

The madness is here...
