Doing this and do it stÃ,tt
I'm dÃ|ven dÃ,tte mÃ| like trÃ,tt
It hurts in my shoulder
It hurts in my bones
I shall do the hele, hele helt alone
It's sitting on tvers in my univers
I think it's grensing to something pervers
I got infiltrations in my neck
I think I need a kiropraktorcheck
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
Doing this and do it stÃ,tt
I'm dÃ|ven dÃ,tte mÃ| like trÃ,tt
It's sitting on tvers in my univers

I think it's grensing to something pervers
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
In the virkelighood I'm a feelsom fyr
But sometimes my feelings are not til to styr
And now I'm altsÃ¥ gal
In the virkelighood I'm a feelsom fyr
But sometimes my feelings are not til to styr
And now I'm altsÃ¥ gal
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
I'm the knokkel pukkel man
