There is juleÅ, I in the tynnj  
Then the fÅst will soon begynnj  
Put some juleÅ, I in your cup  
When it's drokke fyll it up  
I can hopp - I can run  
And it's very, very fun  
Klask your lÅr - klask your stÅ, vel  
I can hopp - I can run  
And it's very, very fun  
GIÅm the trouble - drink a double  
This is a song I like to hÅ, r  
This is music for my Å, r  
Dance a little stÅ, vel dance  
Dance it while you have the chance  
I can hopp - I can run  
And it's very, very fun  
Klask your lÅr - klask your stÅ, vel  
I can hopp - I can run  
And it's very, very fun  
GIÅm the trouble - drink a double  
On and two and three and fir  
Go and swing a nissepi  
Five and six and sju and Ått  
This is good for a nisseknott  
I can hopp - I can run  
And it's very, very fun  
Klask your lÅr - klask your stÅ, vel  
I can hopp - I can run  
And it's very, very fun  
GIÅm the trouble - drink a double
