Smile and ask her to dance
You and I both know she won't be there all
night
So take her hand and make it happen tonight

Most girls don't stand around; they dance
like kids in the rain
So get up boys, come on and show her you can do the
same
Just be a gentlemen you'll be shining star of
the game
Treat her with all respect then she'll
remember your name

Ask her to dance
You and I both know she won't be there all
night so take her hand and make it happen tonight
You know she's your dream girl when
she's keeping you up late nights
You know she's a keeper because when you
see her everything's all right
My dreamer won't wait it out;
she'll dance like kids in the rain
So I'm singing louder now, I hope she
remembers my name
What's my name?

Most girls don't stand around they dance
like kids in the
