He love your sexy body, he loves your dirty mind
He loves when you hold him when you grab him from
behind
Oh baby, you're such a pretty thing
I can't wait to introduce you to the other members of
my gang

You don't need no wax job, you're smooth enough for
me
If you need you oil changed I'll do it for you free
Oh baby, the pleasure would be all mine
If you let me drive your pickup truck and park it where
the sun don't shine

Every time he touches you his hair stands up on end
His legs begin to quiver and his mind begins to bend
Oh baby, you're such a tasty treat
But Im under doctors orders, Im afraid to overeat

He love your sense of humor, your disposition too
There's absolutely nothing that he don't love about you
Oh baby, Im on my hands and knees
Life would be so simple if I only had you to please

Oh baby, turn around and say goodbye
You go to the airport now and Im going home to cry
