Like a ship on the sea, her love rose over me
Like a ship on the sea, her love rose over me
Go way, go way, let me be.

Like a weepin willow tree, her love hangs over me
Like a weepin willow tree, her love hangs over me
Go way, go way, let me be.

Standin on the white cliffs of dover
Lookin out into space
Another channel to cross over
Another dream to chase.

The night is dark and dreary
The wind is howling down
Your heart is hanging heavy
When your sweet love aint around.

Like a leaf on a tree, her love is shakin me
Like a leaf on a tree, her love is shakin me
Go way, go way, let me be
[hauntin me like a ship on the sea]
Like a leaf, like a ship on the sea.
[hauntin me like a ship on the sea]
