Sometime I get so low
It take a while to show
But when it go
It go
Just need some time alone
No friends, no telephone
Is this too much to ask

Sometimes I feel so tired
I'm dizzy, closed my eyes (?)
But please don't ask me why

Just need some time with you
In 1922
Your company's so very cool
Hey

Sometime I get so low
It take a while to show
But when it blows
You'll know
Just need some time with you
In 1922
It's 1922
We're 1922
