I see you girl  
And you look so fine  
And I wish  
I could help you  
Make you mine  
I caught your eye  
As you caught mine  
And I walked right on over  
And I sat right on down  
But when you spoke my heart sank  
You're beautiful  
Just beautiful  
The light is on but no one's home  
You're cutetiful  
Just beautiful  
Don't speak or you will break the spell  
I see you boy  
And you look so fine  
And I wish you could teach me  
If you just had some time  
I caught your eye  
As you caught mine  
And I walked right on over  
And I sat right on down  
But when you spoke  
My heart sank  
You're beautiful  
Just beautiful  
The light is on but no one's home  
You're cutetiful  
Just beautiful

Don't speak or you will break the spell  
Cameras adore you  
Mirrors they explore you  
Gentle men explore you  
Or you  
Or you  
You're beautiful  
Just beautiful  
The light is on but no one's home  
You're cutetiful

Just beautiful  
Don't speak or you will break the spell  
You're beautiful  
Just beautiful  
The light is on but no one's home  
You're cutetiful  
Just beautiful  
Don't speak or you will break the spell  
The end  
The end  
The end  
The end  
The end  
The end
