When I first held you I was cold  
A melting snowman I was told  
But there was no one there to hold before  
I swore that I would be alone forever more

Wow look at you now  
Flowers in the window  
It's such a lovely day  
And I'm glad you feel the same  
'Cause to stand up, out in the crowd  
You are one in a million  
And I love you so  
Let's watch the flowers grow

There is no reason to feel bad  
But there are many seasons to feel glad, sad, mad  
It's just a bunch of feelings that we have to hold  
But I am here to help you with the load

Wow look at you now  
Flowers in the window  
It's such a lovely day  
And I'm glad you feel the same  
'Cause to stand up, out in the crowd  
You are one in a million  
And I love you so  
Let's watch the flowers grow

So now we're here and now is fine  
So far away from there and there is time, time, time  
To plant new seeds and watch them grow  
So there'll be flowers in the window when we go

Wow look at us now  
Flowers in the window  
It's such a lovely day  
And I'm glad you feel the same  
'Cause to stand up, out out in the crowd  
You are one in a million  
And I love you so  
Let's watch the flowers grow

Wow look at you now  
Flowers in the window  
It's such a lovely day  
And I'm glad you feel the same  
'Cause to stand up, out in the crowd  
You are one in a million  
And I love you so  
Let's watch the flowers grow  
Let's watch the flowers grow
