Who cheers you up
When you are down
Who brings you cups of coffee
Who picks you up
When you're in town
Whatever makes you happy
And I'm glad you're better now
But I'm sad you're not around
Friends
Will never desert you
Or turn against
Friends
Won't love you and leave you
To mend the fence

ooohhh...
ooohhh...

Who wakes you up
When you're late for work
Who makes the bed so lovely
Who found your sock
Who picked your shirt
Whatever makes you love me

And I'm glad I'm better now
But I'm sad you're not around
Friends
Will never desert you
Or turn against
Friends
Won't love you and leave you
To mend the fence

ooohhh...
ooohhh...

Friends
Will never desert you
Or turn against
Friends
Won't love you and leave you

To mend the fence

Friends

Will never decieve you
and turn against

Friends

Won't love you and leave you
To mend the fence

ooohhh...
