Memories fill your harbour  
History to be made  
Jealousy in the cupboard  
You with me to the grave  
Mid-life krysis  
You invited everyone  
You can't win  
You can't wake from this nightmare  
Every day is like a movie  
Third world war on the rise  
Don't take it in the city  
Making love to get high  
Mid-life krysis  
You invited everyone  
You can't win  
You can't wake from this nightmare  
I waste my time I waste my  
Don't waste my time don't waste my  
I waste my time I waste my  
Don't waste my time don't waste my  
Energy  
Say you're in love with me  
Save yourself  
Maybe then  
You'll have some children  
Maybe you'll have none  
Mid-life krysis  
You invited everyone  
You can't win  
You can't wake from this nightmare  
And you invited everyone  
You can't win  
You can't wake from this nightmare
