Do it to me, do it to me
Do it again
Takin' me high, takin' me low
Takin' ma friends

You think I'm a fool, leavin' the school
Bendin' them rules
But do it to me, do it to me
Do it again

Mid-summer nights dreamin'
You might treat me right
I had too much to drink
Don't ask me now, head in the sink

Do it to me, do it to you
Do it to them
So much to see, so much to do
So little time

You're breakin' ma heart
You're makin' me cry
You're stealin' ma soul
You don't even try

But do it to me, do it to me
Do it to them

Mid-summer nights dreamin'
You might treat me right I
Had too much to drink
Don't ask me now
Head in the sink

Had too much
Too much
Had too much
Too much

Too much
Too much
Too much
