[Verse 1: Yelawolf]

I, something is wrong with me, I'm feeling like Psycho
White

I can't get a grip, I'm about to slip, I'm about to fight
I took another shot of whiskey dipsy chippin hit me
I don't wanna get a grip, wanna lose it all, I wanna go
wild

Yeah, Catfish on a drop top thunderbird
Oh my god, here comes Billy again
With Travis Barker; Jay and Silent Bob
Hiya mom, Holmes got another chopper
High as a helicopter? sitting on the porch
With a simple torch shakin his head; Flocka Flocka
Sore in a sixpack daddy, I know before you left told me
not to
But I said fuck it, kick the bucket and drink 'em all;
Wacka Wacka
Anybody seen a doctor, I'm a head cast after the Opera
And if I say go then a bunch of famous family members
are gonna pop off

[Hook]

To my people on the back, move to the front
Push 'em, push 'em
To my people on the front, move to the back
Push 'em, push, em
To my people on the side, move to the middle
Push 'em, push 'em
Everybody in this motherfucker 1, 2, 3, go

But I'm too drunk with a bottle of brown
Too far gone in a bottle cans to keep my hands from
