[Verse 1]

Who'da thought you'da turned out like this?  
Girl you're so fine. Yeah.  
Stole my heart way back when we was just kids  
Stayed on my mind  
I would pull your braids then I'd run away like boys do.  
You were mean to me, prolly 'cause you liked me too.  
But girl once you get grown, grown into a woman of the  
Lord, yeah  
'Cause baby girl inside you and I both know there's so  
much more.  
Ooh ooh

[Chorus]

Abby Lee  
Have your way with me.  
Yeah  
Abby Lee, ohh  
I'm starting to believe, Abby Lee.  
Yeahh hey

[Verse 2]

What you think?  
I know you like to have a good time  
(Like to have a good time, good time)  
Forgive me, God, 'Cause I've got sinful things on my  
mind  
Ooh ooh  
Girl you think em too. Don't act like your thoughts are  
so clean.  
Ooohh  
And if you're so good  
Then why you tempting me in those jeans?  
Wooah  
Girl I aint gonna lie  
Wanna take you down to the floor  
Ooh wooah  
'Cause baby girl inside you and I both know there's so  
much more

[Chorus]  
Abby Lee (ooh)  
Have your way with me  
(Have your way with me baby)  
Abby Lee (Abby Lee, take me)  
Starting to believe (I believe)  
Abby Lee  
Abby Lee (woaaoooh baby, Yeah)  
Have your way with me  
(Have your way, Have your way with me)  
Abby Lee  
(Starting to believe)  
Starting to believe Abby Lee (hah ooo hah oo ooh)

'Cause I know you been thinkin' about me  
I be thinkin' bout you too, girl  
We all go through temptation  
But hear me out when I tell you think.  
We can get through it together  
And OOOOOh  
It feels like the Lord wants you to be with me  
Can I please get a witness yall?  
Let me take you to church, baby.

Nooooo

[Chorus]  
Abby Lee, Yeahhh yeah  
Have your way with me.  
(Have your with me, baby)  
Abby Lee (Abby baby, yeah)  
I'm starting to believe  
(Starting to believe) Abby Lee.  
Abby Lee wooo (come on)  
Have your way with me  
(Have your way, have your way with me)  
Abby Lee heyy eyy yeah  
I'm starting to believe, Abby Lee.  
Yeaahhh

Starting to believe x2  
Oooh nahh nahh nah nah  
Oooh oooh ohh
