They all the same she said we all the same dub 100 I
ain't down with all the games I'm a actually call you
baby tell me can I call you she said you don't pick up I
said I'm gon pick up if I ain't busy I'm a hit you we can
all get up again I'm a actually call you baby tell me can I
call you

I ain't lyin when I say dat I'm gon hit you up watchu doin
lata maybe I can pick you up she say don't come over
here if all you tryna do is f-ck wateva happens, it
happens and she said "good lawd" you must be special
cus I don't usually remember names and she say "shut
up nig-a cus you jus runnin game" I'm tryna tell ya you
can swing my way I take ya out and we can kick it
everyday

They all the same she said we all the same dub 100 I

call you

She told me every nig-a dat she mess with hit it then
they left quick dats why she ain't believe me when I
said dat I am different butbaby girl I'm different don't
have to keep yo distance most of the guys be slackin
on ya but I am persistent up in a-t-l-a-n-t-a most of the
girls be into me but it's okay I only want you so I stay
low-key and I get a place dat you can come thru and we
can get it on said I'm a promise dat I call you but have
my fingers crossed

She said " jerk let's kick it" kick?... we can do this [okay]
she called me real quick and said "sup boo were you
at? " naw I'm at the studio but sh-t dats fine right now
I'm kinda busy but hit me back 'round nine Candy and
Brittany Tiffany and Neice both text messages talking
bout that they miss me forreal? cus they know I'm a
mu'f-ckin differenter forreal? And I can lock these girls
down like a prisoner

She said I kno yo type I said yea is dat right you the
type dat one night and ain't never gon wife ohhh... and
ya'll was looking shocked when she said dat I think she
was tryna see where my head at so I saved her under
'California Nicki and when I'm in yo citybaby girl we can
kick it now I'm chillin with sh-tty and we saucin dat
whippy I called up Nicki said baby let's get it

See it's boom boom clap boom boom clap shawty like
me ben j like dat you see me and you crack I see you
and you fat and then we in the back go girl get it like
dat I'm surprised now with shawty with my life style
light-skin yellow-bone bad chick super grown I'm a go...
go hard like she want me to do but really seein you girl
I'm a actually call you [Ben J]
