(ooh)  
i planted a seed in my garden  
you were the flower that my love could grow  
always took care of you darling  
every kiss was like water that flows

oh, ho  
the rain came and gone  
oh, ho  
so did the sun  
oh, ho  
i tried to move on  
will it go on

i need some sunlight  
everyday  
a petal falls  
I'm losing it all  
i wanna make this right  
find a way  
to keep you close  
you're so beautiful  
don't leave me rose (x5)

maybe i made you resent me  
maybe you treated me like I'm dirt  
did i push you away accidentally  
am i holding you back like the roots to the earth

so don't  
don't get me wrong

no, oh  
here's where you lost  
oh, oh  
tried to be strong  
but you just moved on

i need some sunlight  
everyday  
a petal falls  
I'm losing it all

i wanna make this right  
find a way  
to keep you close  
you're so beautiful  
don't leave me rose (x5)

i need some sunlight  
everyday  
a petal falls  
I'm losing it all  
i wanna make this right  
find a way  
to keep you close  
you're so beautiful  
don't leave me rose (x5)

don't leave me rose
