I know how you feel in side  
You're in love and so am I  
But you're with some other guy  
I should be the one by your side

He cheated  
Made you feel no good  
I told you that he would  
I knew that he'd make you cry

You're broken  
Let me make it better  
Glue you back together  
Just give me a try

Pretty pretty please  
Don't you ever ever feel  
Like you're less than  
Fuckin perfect

If you get with me  
I won't ever make you feel  
Any less than fuckin perfect  
You'll see

At his house you found her clothes  
Tried to play you & say who's are those  
He's so stupid  
Here's how I know  
What kind of genius would let perfection go

He's conceited, only bout himself  
He loves nobody else  
He ain't even fly

You're broken  
Let me make it better  
Glue you back together  
Just give me a try

Pretty pretty please

Don't you ever ever feel  
Like you're less than  
Fuckin perfect

If you get with me  
I won't ever make you feel  
Any less than fuckin perfect  
You'll see

It's gonna take time girl  
To heal that hole (he left)  
Exactly how long, I don't know but  
You got pain and I know a remedy  
You gotta  
Start kickin it with someone like me  
Now you're overanalyzing all of your thoughts  
Start to thinkin it's all your fault  
But baby girl don't you go and blame yourself  
He's just a douchebag [x3]

I was hopin  
You'd let me replace him  
I would straight erase him  
Right out of your mind

Pretty pretty please  
Don't you ever ever feel  
Like you're less than  
Fuckin perfect

If you get with me  
I won't ever make you feel  
Any less than fuckin perfect  
You'll see

Pretty pretty please  
Don't you ever ever feel  
Like you're less than  
Fuckin perfect

If you get with me  
I won't ever make you feel  
Any less than fuckin perfect
