### "I Want It All"

Ye-ahhh.  
Oh-oh, oeh, ahh, ha-ah-ah-ah-ah...

She was my queen,  
Baby girl was down from the start (start, start, start).  
She always believed,  
That one day I would end up a star (a star, star, star).  
She never saw it coming, we both didn't,  
And that's why it hurts (hurts, hurts, hurts).  
Ohhh, times changed, I changed  
My fame became a curse (curse, curse, curse).

Hey, (hey)  
Cause I was off one plane and onto another  
Bags packed already, miles from each other.  
But everything is nothing, nothing if I ain't got you.

I wanted it all,  
The love and the money  
And the fame and the big old crib.  
I wanted it all,  
But when I got where I was going,  
I forgot about where I've been.  
Oh, I forgot about, I forgot about,  
I forgot about where I've been.  
I wanted it all but everything is nothing,  
Nothing if I ain't got you.

She was the one,  
And I let her slip out of my hands.  
(She was the one and I let her slip away)  
Is it really done?  
Did I lose the biggest part of my plan?  
(Did I lose her?)  
Now I know how it feels,  
When the one you love is never around (never around).  
You can't even steal a simple kiss, (kiss)  
Cause I'm up in the clouds.

He-ay, ay.

Cause I was off one plane and onto another  
Bags packed already, miles from each other.  
But everything is nothing, nothing if I ain't got you-ohh,

Ye-eah-ay. Yeah.

I wanted it all,  
The love and the money  
And the fame and the big old crib.  
I wanted it all,  
But when I got where I was going,  
I forgot about where I've been.  
Oh, I forgot about, I forgot about  
I forgot about where I've been.  
I wanted it all but everything is nothing,  
Nothing if I ain't got you.

Woah, Oeh-ohh.  
Wanted it all.

I wanted it all,  
The love and the money  
And the fame and the big old crib. yeah  
I wanted it all,  
But when I got where I was going,  
I forgot about where I've been.  
Oh, I forgot about (I forgot about),  
I forgot about (I forgot about),  
I forgot about where I've been.  
And I wanted it all but everything is nothing,  
Nothing if I ain't got you.

And I forgot about,  
I forgot about, I forgot about where I've been.  
And I forgot about,  
I forgot about that I'm nothing if I ain't got you.
