Say goodbye to this place,
We've come a long, long way from lonely
Say hello to this love,
Long, long way from lonely

Everybody is looking at ya,
Cause you're my girl
And it's only me and you baby,
Against the world
We can take on hollywood,
We can take all night
We can ride it out dirty baby,
Like bonnie and clyde

Now we're drunk off love,
Ad we're high on life
And we're driving kind of crazy,
Running through all these lies

Say goodbye to this place,
We've come a long, long way from lonely
Say hello to this love,
Long, long way from lonely

Baby, no turning back (we'll be alright)
Say goodbye to this place
We've come a long, long,
A long, long way from lonely

Baby when you look at me,
It's so unreal
Something like MJ baby,
The way you make me feel
You got this loving girl,
That i can't resist
Been around the world,
It don't get better than this

Now we're drunk off love,

And we're high on life

Say goodbye to this place,
We've come a long, long way from lonely
Say hello to this love,
Long, long way from lonely

Baby, no turning back (we'll be alright)
Say goodbye to this place
We've come a long, long,
A long, long way from lonely

Cause i love
You, you, you, you, you [4x]

Now we're drunk off love,
And we're high on life
And we're driving kind of crazy,
Running through all these lies

Say goodbye to this place,
We've come a long, long way from lonely
Say hello to this love,
Long, long way from lonely

Baby, no turning back (we'll be alright)
Say goodbye to this place
We've come a long, long,
A long, long way from lonely

Cause i love
You, you, you, you, you [4x]

Baby,
I love you
