Pullin' my hair
Losin' my mind
Wonderin' where the hell ya be
Sweatin bullets
Checkin the time
When are ya comin' home to me?
Breakin' glass
Calling your name, calling it, callin it on repeat
Feel like I'm crazy tendencies. what's goin on?

I'm obsessed with the way you bite on my neck

I'm obsessed with the way you're scratching my chest
I'm obsessed with the way we do it the best
I'm a mess when you leave me alone
I can't even think
I can't even function without you next to me
I just need your touch, so give it to me
Girl without your love I'm OCD
