Oooohhh ahhh (go head) [x3]
Put it in yo mouf
Put it in my mouf

Said you gone put it in yo mouf
I guess I'll sit back and enjoy da show
All you bitches going down so I call you domino's
Which one of ya'll wanna go
Meet me at da conco
They say why dem bitches leave?
Man dem bitches come and go
And den she went below my wasit
Man I swear dat bitch can damage some
And she do it with her mouf
So she always keep her panties on
She do it when her man ain't home
She do it cause her man ain't wrong
And den guess wat I said...
