[Verse 1]

Wondern with out a vision you made it your mission to  
rescue my heart  
Was blind before  
Girl I didn't notice, you put it in focus right from the  
start

[Hook]

But now we're going diffrent was you chose this road  
on you're own  
I got my direction from you, girl you my star.  
Now there's nothn I can say to convince you not to  
leave me alone  
How am I suppose to find my way in the dark?

[Chorus]

I'm stuck in the middle of nowhere searchn for a way to  
get home.  
Wish I can call but we don't even talk anymore, feels  
like I'm stranded all on my own  
Feels like I'm stranded all on my own (feels like I'm  
stranded all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (feels like I'm stranded all on my  
own)

[Verse 2]

Girl just tell me why are you changing.  
I'm going insane  
Should I of ringn the alarm  
It's like you faded away, and I'm begging you stay.  
Before I'm holdn a stranger here in my arms.

[Hook]

But now we're going diffrent was you chose this road  
on you're own  
I got my direction from you, girl you my star.  
Now there's nothn I can say to convince you not to  
leave me alone  
How am I suppose to find my way in the dark?

[Chorus]

I'm stuck in the middle of nowhere searchn for a way to  
get home.

Wish I can call but we don't even talk anymore, feels  
like I'm stranded all on my own  
Feels like I'm stranded all on my own (feels like I'm  
stranded all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (feels like I'm stranded all on my  
own)

[Bridge]

Now that you're gone I gotta learn  
To make my own  
I'm moving on  
I'm leaving without you.

[Chorus]

I'm stuck in the middle of nowhere searchn for a way to  
get home.

Wish I can call but we don't even talk anymore, feels  
like I'm stranded all on my own  
Feels like I'm stranded all on my own (feels like I'm  
stranded all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (all on my own)  
Stranded (my own) stranded (my own)  
Stranded stranded (feels like I'm stranded all on my  
own)

Wandering without a vision,  
You made it your mission,  
To rescue my heart.
