Your body, body  
My body, body, body, girl

Your body, my body  
A silhouette that'll make the whole world wanna make  
love  
Fill me up, with your lovin'  
So why the hell would I go out and try to get more?  
Uuh, making love to an angel, there's something so  
dangerous 'bout the way you love  
Ain't nobody patient like me, so take this lovin' right  
here

Gon' act like I'm tryin' to put something in the middle  
Break your body down little by little  
I know you feel me holding tight so gonna let go  
Get your second win, here we go again

[Chorus]

Ain't no tappin' out, on me  
Ain't no referee, countin' their way to three  
Ain't no tappin' out, on me  
You say you're a bad girl, so show me a bad girl  
It's alright (ain't no tappin' out, one, two, three)  
Stay in the fight (ain't no tappin' out, one, two, three)  
We got all night (ain't no tappin' out, one, two, three)  
You sayin' we steady babe, no tappin' out on me

Round 2, look at the time  
It's round 2, you're so damn fine and  
In this room, moment of silence....  
Damn, lookin' at you, girl  
I'm gonna pray to God that you never fall  
And even though you're an angel  
There's something dangerous 'bout the way you love  
Baby don't give up on me, oh baby

[Chorus]

Ain't no tappin' out, on me  
Ain't no referee, countin' their way to three  
Ain't no tappin' out, on me  
You say you're a bad girl, so show me a bad girl

It's alright (ain't no tappin' out, one, two, three)  
Stay in the fight (ain't no tappin' out, one, two, three)  
We got all night (ain't no tappin' out, one, two, three)  
You sayin' we steady babe, no tappin' out on me

[Bridge]

We can fuss, we can fight or whatever  
But we gon' end up makin' love in here  
While I'm pullin' on your hair, you bite the cover  
Don't try to run from this love that we make  
I know just how much your body can take

[Chorus]

Ain't no tappin' out, on me  
Ain't no referee, countin' their way to three  
Ain't no tappin' out, on me  
You say you're a bad girl, so show me a bad girl  
It's alright (ain't no tappin' out, one, two, three)  
Stay in the fight (ain't no tappin' out, one, two, three)  
We got all night (ain't no tappin' out, one, two, three)  
You sayin' we steady babe, no tappin' out on me, yeah

Ain't no tappin' out, one, two, three  
Ain't no tappin' out, one, two, three  
Ain't no tappin' out, one, two, three  
You sayin' we steady babe, no tappin' out on me
