### "When You Learn How To Love"

#### *[Verse 1:]*

I loved I lost  
I swung I missed  
And still kept playing  
You stole my heart  
And by default  
You're still standing  
And you can pat me on my back  
And send me on my way  
You'll see me smile  
But all the while I'm torn up

#### *[Hook:]*

And I don't wish you pain (pain)  
But I don't wish you well (well)  
'Cause you deserve the reign (reign)  
To see how it fails

#### *[Chorus:]*

When you learn how to love  
You're gonna cry for me  
But it's gonna be too late  
It's gonna be too late  
When you learn how to love  
You're gonna breathe for me  
But it's gonna be too late  
It's gonna be too late  
When you learn how to love

#### *[Verse 2:]*

You knew me well  
But still it felt  
You were my stranger  
My tears you swam across  
To let me down  
And through the fog  
I thought I saw your helping hand  
But my eyes were closed  
And it felt a broken heart

*[Hook]*

*[Chorus]*

*[Bridge:]*

All you might have loved  
You'll never know till it's gone  
So far baby now  
Now all you got is your  
Tear drops on your needy heart  
So cry for me

*[Chorus x2]*
